

CHARM CITY CONCIERGE RANKS ON 2019 ENTREPRENEUR 360™ LIST

Workplace experience firm named among top entrepreneurial companies by Entrepreneur Magazine

WASHINGTON, DC (OCTOBER, 2019)—Charm City Concierge (CCC), an expert in redefining the tenant experience today announces it has been recognized as one of the “Best Entrepreneurial Companies in America” by Entrepreneur Magazine in its 2019 Entrepreneur360™ ranking, an annual study based on a qualitative and quantitative analysis of private companies in America.

“We are honored to be recognized by Entrepreneur Magazine for the third year in a row,” commented Christina Urquhart, Founder and CEO of Charm City Concierge. “We continue to demonstrate that entrepreneurship is at our core—evolving with the workplace for the last 25 years. This year was especially noteworthy as we took our extensive expertise in concierge, employee engagement and curating meaningful experiences, and built a tenant engagement platform and app called Simpli which leverages our expansive experience in tenant experience and puts it at the user’s fingertips.”

The launch of Simpli rounds out Charm City Concierge’s suite of offerings—powering workplaces with wellness experiences, concierge services, and now, technology. “These components are the trifecta that makes up the differentiated workplace experience that the industry expects today.”

“Every entrepreneur knows that a healthy business isn’t just about growth. It’s about being well-rounded—growing your culture and your systems as strongly as you grow your revenue,” says Jason Feifer, editor in chief of Entrepreneur Magazine. “That’s why we’re excited to celebrate these companies with our fifth annual Entrepreneur360™ ranking. The companies that make the list have pushed boundaries with their innovative ideas, fostered strong company cultures, impacted their communities for the better, strengthened their brand, and grown impressively as a result.”

Charm City Concierge redefines the workplace experience by providing virtual and onsite concierge services, experience management and technology to commercial office buildings, residential communities, mixed-use properties and corporations

throughout the Mid-Atlantic region and beyond. Currently, the firm services more than 300 buildings, totaling more than 45 million square feet of space.
